2005 Annual Report Utah Society of Certified Public Managers®

Submitted December 2005

Highlights of Year 2005 USCPM Activities:

- Formalized responsibilities for the Department of Human Resource (DHRM) Liaison position on the Board of Directors.
- Proposed advanced level professional development courses for graduates of the CPM program in Utah. 2006 Board should be able to begin these new opportunities in the near future.
- Developed a brochure to provide information about USCPM that includes the application for membership.
- Provided campaign support for USCPM Past President Julie Felice in her successful bid for President Elect of AACPM. (Felice means 'happy!')
- Co-sponsored the 7th Annual Utah Managers' Conference "Culture: What's Growing in Your Organization". Utah's new Governor Jon M. Huntsman joined the program to present the Utah Manager of the Year announcement. The award was given to Shelly Ivie, Eastern Region Program Manager in the Department of Workforce Services. The conference was held at the Larry H. Miller campus of Salt Lake Community College, and was the highest attended as well as most financially productive conference yet (\$9,157.57 profit).
- The USCPM Board voted to bid on a national AACPM conference. Conferences are scheduled out until 2010, so the Board took the future national conference suggestion to the membership at the annual business meeting, and received commitments from the membership to participate if Utah is selected for a future conference.
- Jointly sponsored with DHRM the largest ever CPM Program graduation in July, with 144 new Certified Public Managers[®] receiving certificates.
- Based on information and requests gathered from our membership the Programs Committee worked towards a goal of education related to the revised modular format of the Utah CPM Courses. Monthly education meetings were held that included an overview of the course structure implemented this past year; overviews from course instructors on topics added in the revisions as well as the future of public management; mentoring; and semi-annual formalized networking opportunities.
- Completed the year with more than a \$3500 gain in finances.
- Due to a resignation submitted by the By-Laws Chair, Collette Reddoor was selected as a transition By-Laws Board Member. Collette was able to compile changes proposed to the membership over the past two years that were never actually approved and presented them to members for ratification in the December Annual Business Meeting

- Elected new board members for 5 positions. The 2006 President planned a transition board meeting to formalize the training of new Board members.
